About Noblecon:

Nobelcon is presented by Noble Capital Markets (“Noble”) is a research driven investment bank that has supported small & microcap companies since 1984. As a FINRA and SEC licensed broker dealer Noble provides institutional-quality equity research, merchant and investment banking, and order execution services. In 2005, Noble established **NobleCon**, an investor conference that has grown substantially over the last decade. Noble launched www.channelchek.com in 2018 - an investor community dedicated exclusively to public small and micro-cap companies and their industries. Channelchek is the first service to offer institutional-quality research to the public, for FREE at every level without a subscription. More than

6,000 public emerging growth companies are listed on the site, with growing content including research, webcasts, podcasts, and balanced news.

About Strategic Investment Insights:

Strategic Investment Insights offers a unique opportunity to present Izotropic to money managers, institutional buyers, as well as retail investors. Chicago is one of the leading financial centers in North America and Strategic Investment Insights provides a portal into this valuable resource. In addition, the conferences vast virtual network exposes Exhibitors to potential shareholders from across North America.

About Virtual Investor Conferences:

Hosted by OTC Markets, Virtual Investor Conferences is the leading proprietary investor conference series that provides an interactive forum for publicly traded companies to seamlessly present directly to investors. Providing a real-time investor engagement solution, VIC is specifically designed to offer companies more efficient investor access. Replicating the components of an on-site investor conference, VIC offers companies enhanced capabilities to connect with investors, schedule targeted one-on-one meetings and enhance their presentations with dynamic video content. Accelerating the next level of investor engagement, Virtual Investor Conferences delivers leading investor communications to a global network of retail and institutional investors.

About Izotropic Corporation

Izotropic Corporation is the only publicly traded company commercializing a dedicated breast CT imaging platform, IzoView, for the more accurate detection and diagnosis of breast cancers. To expedite patient and provider access to IzoView, Izotropic's initial clinical study intends to demonstrate superior performance of diagnostic breast CT imaging over diagnostic mammography procedures and will initiate in Q2 2022. In follow-on clinical studies, Izotropic intends to validate platform applications, including breast screening in radiology, treatment planning and monitoring in surgical oncology, and breast reconstruction and implant monitoring in plastic and reconstructive surgery.

More information about Izotropic Corporation can be found on its website at izocorp.com and by reviewing its profile on SEDAR at sedar.com.

Forward-Looking Statements

This document may contain statements that are "Forward-Looking Statements," which are based upon the current estimates, assumptions, projections, and expectations of the Company's management, business, and its knowledge of the relevant market and economic environment in which it operates. The Company has tried, where possible, to identify such information and statements by using words such as "anticipate," "believe," "envision," "estimate," "expect," "intend," "may," "plan," "predict," "project," "target," "potential," "will," "would," "could," "should," "continue," "contemplate" and other similar expressions and derivations thereof in connection with any discussion of future events, trends or prospects or future operating or financial performance, although not all forward-looking statements contain these identifying words. These statements are not guarantees of performance and involve risks and uncertainties that are difficult to control or predict, and as such, they may cause future results of the Company's activity to differ significantly from the content and implications of such statements. Forward-Looking Statements are pertinent only as of the date on which they are made, and the Company undertakes no obligation to update or revise any Forward-Looking Statements to reflect new information or the occurrence of future events or circumstances unless otherwise required to do so by law. Neither the Company nor its shareholders, officers, and consultants shall be liable for any action and the results of any action taken by any person based on the information contained herein, including without limitation the purchase or sale of Company securities. Nothing in this document should be deemed to be medical or other advice of any kind. All images are for illustrative purposes only. IzoView is not yet approved for sale.
